Elizabeth Thomas Dold's practice focuses on Title II of ERISA and other compensation matters, including employment taxes and other reporting and withholding requirements. She covers all types of employee benefits, including qualified plans, IRAs, governmental plans, nonqualified deferred compensation plans, and health and welfare plans. She assists clients in all tax aspects of employee benefits including Internal Revenue Service (IRS) filings, compliance audits, design of retirement products, reviewing marketing materials, nonresident alien reporting/taxation issues, taxation of settlement awards, restorative payments, taxation and reporting of fringe benefits and welfare benefits, and employment taxes. Ms. Dold is the immediate past Chair of the Information Reporting Program Advisory Committee (IRPAC).

Ms. Dold has an interest in Pro Bono activities and inventions. She is the co-founder of linksinpink, which is a non-profit charitable organization to supporting individuals and their families facing a life-threatening illness, including breast cancer.
