

## Thorbahn Fall Seminar

October 21, 2009

Christine Keller will give a presentation, "Health Care Reform Takes Center Stage" at the Thorban Fall Seminar on October 21, 2009 in Wellesley, MA.

Health care reform continues to be a top legislative priority of the Obama Administration and the Democratic leadership in Congress. This session will provide an update on Congress's activities with respect to Health Care Reform, including insurance market reform, the employer mandate, the individual mandate, the Gateway/Exchange, the public plan option, and revenue raisers. Topics covered will include:

- Potential Impact on Employers
- Potential Impact on Participants, and
- Potential Impact on Benefit Providers
