

## 401(k) Plans Could be Facing a Total Revamp

*Pensions & Investments*

October 27, 2008

Bill Sweetnam commented that 401(k) reform proposals will be hard to sell in a Pensions & Investments article focused on the re-examination of 401(k) plans in light of dramatic investment losses this year. The article, "401(k) Plans Could be Facing a Total Revamp" was written by Doug Halonen and published on October 27, 2008.
