

## Eller Comments on FBAR Filing Requirements and Pension Plans

*Pensions & Investments*

July 24, 2009

Jennifer Eller was quoted in the *Pension & Investments* article, "Pension funds could be caught in Treasury's widening net," by Doug Halonen published on July 24, 2009. The article discusses the IRS' Report of Foreign Bank and Financial Accounts form (commonly known as the FBAR) as it relates to pension plans. In the article, Jenny argues that pension plans investments should be exempt from the FBAR filing requirements.
