

## Groom in the Community Reception

July 14, 2009

Groom hosted a reception on our balcony to recognize the importance of charitable efforts and our professional responsibility to become involved in the community to benefit those in need.

Groom staff, attorneys, and alumni were joined by representatives from a number of our pro bono clients: The Children's Law Center, Lawyers Serving Warriors, Women Empowered Against Violence (WEAVE) and WestRhode Riverkeeper. We enjoyed the summer evening and learned more about what we can all do to give back to the community.
