February 4, 2010

David Levine was quoted in the BNA article, "Doggett Bill on Nondiscrimination Rules Elicits Strong Views Among Practitioners," by Florence Olsen published on February 4, 2010. The article focused on The Retirement Fairness Act (H.R. 4126), introduced in November 2009 by Rep. Lloyd Doggett (D-Texas) that would amend the tax code by tightening the nondiscrimination rules for employers to qualify for tax breaks for offering retirement plans.
