

## Groom Supports Taste of the Nation

April 12, 2010

Groom in the Community was excited to support Taste of the Nation, one of DC's premiere food events. Profits from ticket sales help fight childhood hunger and hopefully eliminate childhood hunger in America by 2015.

Fifteen Groom employees attended the event and five more volunteered at the event to support this charitable cause. Last year, the event raised \$124,000 for local beneficiaries Capital Area Food Bank, DC Hunger Solutions and Mary's Center.
