

## Why Groom

### Careers at Groom: A Job That Matters

#### Top Rated

We are the preeminent employee benefits firm in the country, offering clients a depth of benefits knowledge and litigation know-how not found in any other law firm. More...

#### Meaningful Work for Great Clients

We helped shape ERISA and related tax and health law, and continue to resolve high-stakes benefits questions and litigation for high profile clients, materially affecting the lives and well being of countless everyday people.

#### Good People

Our approximately 60 multifaceted attorneys—many coming from federal agencies that regulate benefits—possess some of the most outstanding employee benefits legal talents and skills in the country. Accessible and down-to-earth, they're also good people, with diverse backgrounds, interesting lives, varied pro bono and community service, and a sincere collegiality. More...

#### Great Location

Next to the White House on Pennsylvania Avenue, with views of Capitol Hill and Washington landmarks and within walking distance of the Mall, museums and the Metro, our offices sit in the midst of a cosmopolitan and energetic neighborhood with countless amenities and opportunities. And all of us work together in our one office location.
