

Shaping the Field

“When it comes to employee benefits law, Groom is the only firm in the country where clients can get it all. We have always taken pride in our ability to come together across practice groups and individual areas of specialization to develop comprehensive, cost-effective approaches to any kind of benefit challenge.”

Jon Breyfogle

Managing Principal

Representative Clients

The clients listed here are a small fraction of the many corporate plan sponsors, benefit plan service providers, and non-profit organizations that have turned to Groom for advice and counsel since the firm’s founding in 1975.
