## Eboni Onuoha

### Associate

A team player with an outgoing personality and a strong desire to work in the legal field of benefits characterize Eboni Onuoha, a Groom associate. As an associate, she provides vital support to clients for the full gamut of their design, maintenance, and compliance matters related to health, retirement, and compensation plans.

Eboni received her JD from the Thurgood Marshall School of Law at Texas Southern University. While a law student, she clerked for a firm in Houston, for the Harris County Civil Courthouse, and was a summer associate at Groom. She received her BA from the University of Maryland, Baltimore County.

As the daughter of a registered nurse, Eboni was interested in healthcare from a young age and sought out a firm whose practice was both meaningful to her personally, and one that would have an impact on everyday people, as well. In her free time, she enjoys listening to music, writing, and spending time with her family.
