Frank Kalthof

Director of Information Systems

Frank Kalthof joined Groom in 2013 as Director of Information Systems and is responsible for the development, implementation, support and use of the firm's information and technology systems. With more than 30 years of leadership experience in the technology and a passion for continuous improvement and operational excellence, Frank is a proven information technology and knowledge management leader. He regularly assesses the firm's technology needs to meet and exceed client needs and recommends practical, cost-effective solutions that offer improved service and functionality.
