Katelyn Davis

Associate

Katelyn is an associate at Groom Law Group who practices in the Health Services Practice Group. She advises clients on a wide variety of matters including those arising under ERISA, the Affordable Care Act, and the Mental Health Parity and Addiction Equity Act.

Katelyn graduated *cum laude* from the American University, Washington College of Law. While attending law school, she served as a Note and Comment Editor with the *Journal of Gender, Social Policy & the Law*.

Katelyn received her undergraduate degree from Smith College in 2011. She lives in Silver Spring, Maryland and enjoys baking, reading, and spending time with her husband and her dog.

I like to think of ERISA attorneys as the guardians of retirement and other benefits. We ensure these benefits remain available to workers, who rely on their benefits to provide healthcare and income throughout their lives.
