Brigen Winters will participate in the *2011 Financial Executive Conference* on May 22-24 in San Diego, CA. He will lead the session, “Health Care Reform: Benefits and Costs, Today and Beyond.” His presentation will focus on the how changes mandated in the health care reform bill enacted in 2010 will further impact businesses.

Hear what companies are doing to proactively manage increasing costs in anticipation of changes required by the new law and discover potential methods for mitigating future cost increases. Gain insight into how company-provided health care might look when the entire program is rolled out.
