On September 13, 2022, Groom principal [George Sepsakos](#) will be serving as a panelist during the “Making the Most of Committee Meetings – Investments vs. Plan Design” workshop of the 2022 PLANADVISER National Conference in Scottsdale, AZ.

The workshop will cover best practices for those advising plan sponsors and their committees on how to make the best use of their time to add value, as well as how to help committee members understand their roles and guide them through how to use what is being presented to them.
