- Fiduciary & Plan Governance
- Retirement Programs

The IRS recently announced that many of the key retirement plan limits will increase next year. [Notice 2023-75](#) (Nov. 1, 2023). These limit increases are more modest than the 2023 increases, with some limits remaining the same. The Social Security Administration and PBGC also recently announced adjustments for the Social Security wage base, PBGC premiums, etc., for next year. The chart below reflects the key limits, along with other frequently used benefit and compensation items, for 2024.

***For a PDF of this table, [click here.](#)***

*\*For eligible employers who did not have more than 25 employees who received at least \$5,000 of compensation from the employer for the preceding year (or electing larger employers that meet certain requirements).*

As in 2023, there are also increases in various AGI phase-out ranges for IRA deductions, Roth IRA eligibility, and the Saver's Credit, for example. See [Notice 2023-75](#).

On November 9, 2023, the IRS issued [Rev. Proc. 2023-34](#), which announced the 2024 indexed limits for certain health and welfare benefits. Please see our alert on these key 2024 limits [here](#).
