SERVICES

David Powell will participate as a speaker at the ASPPA Annual Conference held at the Gaylord National Resort & Convention Center at National Harbor, MD on October 17-20, 2010. His panel is titled, "Hot Topics in International Benefits." He will address the myriad of current international benefit plan issues, including mobile employees, Puerto Rico plans, global pension fund governance, US deductions for contributions to foreign plans, cross-border pension plans, cross-border pension investment, third country national plans, ERISA issues for nonqualified plans, ERISA issues for non-US investment and European cross-border pension developments.
