CBBA-Europe, American Benefits Council & Groom Law Group join together to host a conference on Thursday, June 27th titled, “Facing and solving the challenges of cross border benefits solutions in Europe for multinational corporates.” Taking place at the Conrad Hotel in Washington, DC, the conference will provide a review of the challenges that multi-national employers in the EU face and recent improvements in developing cross border solutions. It will also address challenges in employer sponsored and other private pensions and health benefits, the impact of Brexit, recent high visibility investment issues such as ESG products and key differences between US and the EU. HR staff, compensation and benefits departments, pension providers, insurance companies, international benefits lawyers, academics and public authorities are encouraged to attend.
