[Fiduciary & Plan Governance](#)

On October 19, 2022, Groom principal [Seth Perretta](#) will be serving as a panelist during the “Fiduciary Implications in Age of Transparency” session at the *Practising Law Institute’s* “Applying ERISA Fiduciary Rules to Health Plans, Services and Products 2022” program in New York City, also available through live webcast.

The session will cover a range of ERISA considerations applicable to health plans, including new regulatory framework and associated disclosures required, obligations of plan sponsors vs. plan vendors, the timelines associated with disclosure obligations, and more
