In support of So Others Might Eat ("SOME"), Groom will sponsor SOME's Annual Gala, "Break the Cycle," to celebrate the partners and champions of the organization who help support it throughout the year. The Gala will be held at the Washington National Cathedral on Saturday, October 21, 2023.

Since 1970, SOME has been a beacon of hope for individuals, families, senior citizens, veterans, and those affected by physical or mental illness in the D.C. area. The organization offers support to over 10,000 D.C. residents per year by providing affordable housing, workforce development, and daily emergency services. All proceeds from the event will benefit SOME's efforts to fight poverty and homelessness in Washington, D.C.
