**SERVICES**

On June 11, 2022 a number of Groom team members and their families participated, both in-person and virtually, in the 2022 Lawyers Have Heart 10K, 5K, & Fun Walk supporting the American Heart Association.

We are so pleased to support Lawyers Have Heart every June and their mission to build healthier lives, free of cardiovascular diseases and stroke and their fundraising which goes towards championing health equity for all, particularly now in response to the COVID-19 pandemic.
