Fiduciary & Plan Governance

On September 20, 2022 Groom hosted a virtual “fiduciary bootcamp” designed to help health and retirement plan fiduciaries understand their legal duties, whether under federal or state law.

Please use the link below to request a recording of the program, which covered a broad range of topics, including

- Fiduciary duties, obligations, and prohibited transactions
- Liability, enforcement, and oversight
- Health plan transparency
- Emerging investments issues (*e.g.*, ESG, alternatives, and QPAM)
- Fiduciary litigation trends

The content presented is appropriate for both new and experienced trustees, committee members, and other fiduciaries.
