In this webinar, Groom attorneys will provide an overview of the retirement, health and tax changes of note to plan sponsors and service providers in the COVID budget reconciliation legislation proposed by the Biden administration and being considered by Congress. We intend to cover the following provisions of the new legislation:

- Single-employer funding rule changes and the multiemployer pension rescue package;
- A freeze in the cost of living indexing of maximum benefit and contribution limits;
- Temporary COBRA subsidies and notices;
- Temporary increases in ACA premium tax credits; and
- Other key health and welfare and tax provisions.
