From new regulations and court decisions affecting plan investments to governance and agency enforcement trends, the legal landscape for fiduciaries is continuously developing. On Thursday, March 31, 2022 at 12:00 – 1:00 p.m. ET, we will be hosting a webinar that will bring to the forefront several recent developments that fiduciaries should be apprised of. Groom attorneys will be discussing, among other things:

- Plan investments (*e.g.*, brokerage windows, ESG, cryptocurrency, and more).
- Governance (*e.g.*, audits, cybersecurity, privacy, and more).
