As health plan litigation continues to grow and evolve, common themes and trends have come to the surface. In this September 20, 2023 webinar, Groom attorneys peeled back the layers of the most critical developments in health plan-related litigation, including health plan fee litigation, MHPAEA litigation, and No Surprises Act litigation and arbitration.

During the webinar, we covered background, outlined noteworthy aspects of recent decisions, and discussed key issues and evolving trends impacting health plans.
