SERVICES

Groom Law Group, Chartered's 26th Annual Seminar will be held Thursday, May 16 to Friday, May 17, 2024 at the Four Seasons Hotel in Washington, DC. We are looking forward to once more bringing together professionals in the benefits, health, and retirement spaces to hear about important developments, gain valuable takeaways, and engage with peers. As customary, the seminar is free to attend. This year's [agenda](#) highlights the 50th anniversary of the passage of ERISA, and we have tailored our programming to take a close look at the progression of the evolving provisions of this landmark piece of legislation. We will also cover top-of-mind topics for professionals with benefits, health, and retirement-related responsibilities and interests.
