Yahoo Finance featured a recent interview by Groom principal [Allison Itami](#) in the article, “How retirement advice morphed into a decade-long political fight,” where she explored similarities between this year’s proposed fiduciary rule and its 2016 counterpart.

According to *Yahoo Finance*, Itami said that “while some of the legal framing has been changed, the two efforts across two Democratic administrations are ‘remarkably similar [and] policy-wise, they’re going after the same goal.’”
