The Minority Corporate Counsel Association (“MCCA”) celebrated its 25th Anniversary this year for its 2022 Diversity Gala on October 19, 2022 in New York City, where Groom was a sponsor. The MCCA Diversity Gala, coinciding with the Creating Pathways to Diversity® Conference, is MCCA’s signature, annual fundraising event. The funds raised support MCCA’s key research, conferences, and professional development programming throughout the year.
