Previously, Groom Principal David Kaleda wrote in bi-monthly Compliance Consult column that excellent [opportunities to establish multiple employer plans \(MEPs\)](#) were forthcoming due to pending regulatory and legislative action. Those opportunities have finally arrived. They are included in the [final regulation promulgated by the Department of Labor \(DOL\)](#) expanding the availability of association MEPs and Congress' enactment of a spending bill that contains the provisions of the Setting Every Community Up for Retirement Enhancement (SECURE) Act, which [also provides for pooled employer plans \(PEPs\)](#).

In the January/February 2020 *PLANADVISER* article, "MEPs and PEPs: Effective means to broaden retirement plan access." linked below, Groom principal [David Kaleda](#) provides an overview of the opportunities that these plans present.
