- Plan Services & Providers

Principal Erin Cho will be presenting at Practising Law Institute's *Pension Plan Investments 2019: Current Perspectives* program on May 7, 2019. Intended for ERISA practitioners in financial institutions and service providers, the program will cover a range of developments in pension investment law. Erin will co-present a panel titled, "Regulatory Update" to discuss the following:

- Aftermath of the DOL's fiduciary rule: tying up loose ends
- Update on the SEC's fiduciary release
- Foreign crimes under Qualified Professional Asset Manager (QPAM)
- New guidance, PTEs from the DOL
