On July 21, 2022, Groom principal [Rick Matta](#) will be presenting in Strafford's "Self-Directed IRAs and Unusual Investments: Prohibited Transactions, RMDs, Valuation Issues, and Correcting Errors" webinar.

The session will cover self-directed IRA ("SDIRA") requirements, including allowable investments, required minimum distributions, valuation issues, and prohibited transactions. The panel of federal tax experts leading the session will also be reviewing relative court cases and PLRs, and providing guidance on correcting past IRA errors.
