Groom’s [Kara Wheatley](#) is presenting at the American Conference Institute (“ACI”) 14th Annual Advanced Forum On Managed Care Disputes and Litigation. Her panel, titled “The Future of Mental Health Coverage, Access and Litigation,” on March 30, 2022 will provide key insights on related legal and regulatory challenges, as well as strategies for defending MHPAEA enforcement.

The Managed Care Disputes and Litigation conference will take place on March 29 – 30, 2023 in Chicago, Illinois. This event provides a crucial learning and development experience for in-house counsel and business executives from Managed Care Organizations. The line-up of 2023 speakers includes leading in-house lawyers and outside counsel dedicated to sharing practical insights on how to protect their organizations.
