Groom Law Group is recognized as [one of the top Employee Benefits firms](#) in the 2009 edition of The US Legal 500:

*“According to clients, Groom Law Group is well known as a top boutique firm in this area offering exceptional expertise in ERISA matters. Comprising 60 attorneys all focused on benefits work, it is perhaps unsurprising that the firm has a breadth of expertise that some full-service competitors struggle to match. Clients are evidently impressed, saying the knowledge base is extraordinary. I don’t think it would be possible to find a firm that knows more about ERISA, while another adds we feel like were in a partnership with them.”*
