Groom principal [Allison Itami](#) will present at “Cybersecurity 2023,” a livestream hosted by Chief Investment Officer, PLANADVISER, and PLANSPONSOR. The event will take place on October 12, and it will explore the cybersecurity risks plan sponsors face, best practices for protecting data and assets, current regulations, and how to comply with them. Itami will speak on the panel, “Vetting Providers’ Cybersecurity Processes,” where she will look at how cybersecurity is addressed, tools used to assess cyber risk, and what to look for when hiring service providers.
