The COVID-19 pandemic continues to be an important issue for plan sponsors and health service providers. In continuation of our COVID-19 webinar series, Groom Law Group will host a webinar titled, “Benefits Plans and COVID-19 – Update on Agency Guidance.” Designed for plan sponsors and health service providers to help understand changes made to HIPAA Privacy laws and agency guidance on privacy and antidiscrimination law issues related to COVID-19, we will cover requirements and implementation questions relating to COVID-19, including:

- Update on COVID HIPAA Guidance
- CARES Act Changes to Part 2 Privacy Rules related to Substance Use Disorder information
- EEOC COVID Guidance on Privacy and Antidiscrimination Laws
- COVID Privacy Real-Life FAQs
