The COVID-19 pandemic continues to be an important issue for group health plan sponsors and service providers. This 30-minute webinar is intended for ERISA group health plan sponsors and service providers to help understand the guidance extending certain deadlines related to health and welfare plans in response to the current COVID-19 pandemic.

We intend to cover key requirements of the new guidance and implementation issues under the following provisions:

- Plan Administrator Relief
- Participant Relief
- Special Enrollment
- COBRA
- Claims and Appeals
- External Review
