On April 27, 2022, Groom's [Katie Bjornstad Amin](#), [David Block](#) and [Thomas Roberts](#) presented, in partnership with Alerus, the webinar, "Promoting Comprehensive Health in the Workplace", which explored how employers are making unique additions to benefit plans to promote holistic wellbeing for their employees and help hire and retain top talent. Examples explored were Lifestyle Spending Accounts and more robust HSA offerings. The webinar also touched on plan administration issues.
