On Thursday, March 26, 2020 at 2:00 p.m. ET Groom Law Group will host, “The Pandemic Plan of Action– COVID-19 Update for Health & Welfare Plans”. This 30-minute webinar is intended for plan sponsors and health service providers to help navigate legislative, regulatory and compliance issues related to health and leave benefits arising out of the pandemic.

We will cover new health care and leave-related requirements in the pending fiscal stimulus bill (the “CARES Act”) and updates on implementation of the Families First Act. We are living through an unprecedented time of uncertainty and, as such, look to provide the most up-to-date information on issues relating to COVID-19 for your health plans and leave benefits.
