[Brigen Winters](#)

Groom principal [Brigen Winters](#) weighed in on the Setting Every Community up for Retirement Enhancement Act of 2019, referred to as the SECURE Act, and its impact on small employers in the *Pensions & Investments* article titled “SECURE Act moves to reality from long shot.”

Winters noted that “...the open MEP provision will provide more opportunities to small employers who do not have the bandwidth and benefits knowledge needed to offer a retirement plan of their own.”
